## 2018 Summer Programs

*Our Experience. Your Child's Success.*

June 11 through August 10, 2018

### INDIVIDUAL SPEECH & LANGUAGE THERAPY

**Offered year-round** to provide treatment for your child's specific speech and language needs

### ACES

#### Acting Classes to Enhance Social Communication

*(Ages 8 and up)*

ACES is a SLY (Social Language Youth) group program designed specifically for the summer. Role-playing games and skits are used to highlight the communication process and the skills needed in:

- Awareness of nonverbal message
- Awareness of tone of voice in addition to the spoken words
- Waiting and taking turns
- Self-awareness of emotions and nonverbal messages

**Offered:** One hour, once a week for 8 weeks

### SLY: PRESCHOOL/PRIMARY

*(Ages 5-7)*

This group will target areas of social communication:

- Making friends and helping others
- Detecting social cues
- Holding onto thoughts
- Understanding and respecting personal space
- Turn-taking
- Identifying feelings/emotions

**Offered:** One hour, once a week for 8 weeks

### EXPRESS YOURSELF

This language group will address both verbal and written language. We will use multi-modal tools and strategies to increase the quality and quantity of the students' expressive language. We will address:

- Vocabulary comprehension
- Word association
- Categorization

These fun and functional tools/strategies will easily carryover to school tasks and assignments. This group is not one to miss to help students express themselves!

**Offered:** One hour, once a week for 8 weeks

### Pre-K Prep

**Ages: 4-6 years**

Help your child get a head start on foundational skills needed for preschool and kindergarten:

- phonological awareness (pre-reading) skills
- expressive and receptive language development

Targeted through various activities such as rhymes/songs, games, crafts, and storybook readings. Additionally, parents will be provided with the opportunity to learn easy and innovative strategies to support their child's learning and create a language-enriched environment!

**Offered:** One hour, once a week for 8 weeks

### TEST-TAKING TIPS

*(Designed for middle school and high school students)*

Students learn techniques to recognize question types and methods to improve responsiveness and accuracy. Sessions also include strategies to minimize test anxiety.

**Offered:** Group sessions offered one hour, once a week for 8 weeks. Individual sessions are also available.

### S.O.S.

#### Successful Organization for School

Students will receive help to organize materials, learn about memory aids, and balance academic and extracurricular expectations.

**Offered:** 2-hour sessions in August
